Itineraries

Day 1: NAIROBI

Upon arrival in Nairobi you'll be met by our tour representative and after airport formalities drive to your city hotel for check-in. Afternoon at leisure, overnight in Nairobi.

Day 2: NAIROBI NATIONAL PARK

We shall spend the day at the Nairobi National Park, which has consistently been a highlight on our tours. It holds the distinction of being Kenya's oldest national park only 6 kilometers from the edge of Nairobi's city Centre, the nation's vibrant capital. The park boasts an impressive checklist of over 400 recorded bird species. In addition to the rich birdlife, the park is home to four of Africa's Big Five, along with a wide range of other wildlife species that is sure to make your visit truly memorable. Overnight in Nairobi.

Day 3: LAKE NAIVASHA

Today, we proceed to Lake Naivasha, where our Kenya Birding Tour continues. In the afternoon, we enjoy a scenic boat ride on the lake, offering opportunities to spot both waterbirds and hippos in their natural habitat. We then return to the lodge for dinner and overnight stay.

Day 4: NAIVASHA - LAKE NAKURU NATIONAL PARK

We depart early this morning for Lake Nakuru National Park, arriving around midday. The afternoon will be spent birding in the park, a renowned highlight of our Kenya Birding Tour. Famous for its huge flocks of flamingos, the park also hosts species like pelicans, fish eagles, and numerous waders. It's a key rhino sanctuary and home to the rare Rothschild's Giraffe, along with other grazing mammals. Overnight in Nakuru.

Day 5: LAKE NAKURU - LAKE BARINGO

After breakfast, we begin the day with more birding in Nakuru, our focus is adding any species we may have missed the previous day. Later in the afternoon, we depart for Lake Baringo, enjoying en route birding as we travel through the changing landscapes. Overnight in Baringo.

Day 6: LAKE BARINGO

We continue our Kenya Birding Tour in the Lake Baringo area, exploring this unique habitat through a combination of drives and guided walks around the lake's scrubland and rocky cliffs, in search of its distinctive birdlife. A scenic boat ride on the lake will offer a chance to appreciate

its natural beauty and watch African Fish Eagle as they call and display over their territories.

Overnight in Baringo.

Day 7: LAKE BARINGO - KAKAMEGA FOREST

Depart after breakfast to Kakamega forest arriving in time for lunch. Afternoon birding nature walk in the forest return for dinner and overnight at the lodge.

Day 8: KAKAMEGA

We spend the day exploring Kakamega Forest rainforest. This rich ecosystem holds exceptional bird diversity, offering the potential for a significant boost to our Kenya Birding Tour list.

We'll enjoy guided walks through the forest, taking time to search for regional specialties, with short breaks throughout the day. Beyond birds, the forest is also home to unique monkeys, antelopes, and various squirrel species.

Overnight in Kakamega.

Day 9: KAKAMEGA FOREST - LAKE VICTORIA

After breakfast drive to Kisumu, Kenya's third largest city arriving in time for lunch. Afternoon spent enjoying the birds of Lake Victoria. This is always a great birding site on our Kenya Birding Tours.

Overnight in Kisumu.

Day 10: KISUMU - MASAI MARA

Today we proceed to Masai Mara, with picnic lunch. we'll be having birding stops on the way where we are likely to see some new species along the way. arrive late afternoon.

Overnight at the camp.

Day 11: MASAI MARA

The day spent exploring the vast Masai Mara, as we search for both local bird species and a wide range of mammals. Often described as Kenya's premier wildlife reserve, the Mara offers incredible opportunities—from sightings of the Big Five and large herds of grazing animals to an abundance of birdlife across its open plains and riverine habitats.

Overnight in Masai Mara.

Day 12: MASAI MARA

Morning Nature walk then visit the Maasai village. Lunch at the camp. Afternoon game drive dinner and overnight at the camp.

Day 13: MASAI MARA - NAIROBI

<p>This morning, we shall enjoy a leisurely breakfast in the Masai Mara, before our departure. Later, we begin our journey back to Nairobi, with a few birding stops along the way.</p><p>Upon arrival, we'll proceed to the airport for your international flights home.</p>
